

Dear Sirs,

We would like to express our gratitude to Market Research & Management Consulting Agency “Market”, LLC for a workmanlike study of the Russian carton core market.

We deeply appreciate your punctuality and focusing on details as well as your ability to maintain awareness of our product and the market obtained by you during the first project with our company.

We would like to mention on-the-fly and communication that was mainly carried out in the English language.

Yours sincerely,

Esa Makela

Marketing Director
